It is my daily mission to help people. I have been self employed for over 15 years. I know how difficult it is at times to be financially secure, but the mistake people often make is not having proper health and life insurance. My family and myself moved to Winter Haven 1 ½ years ago to raise a family. As your local insurance professional it is my duty to make sure my client and their family is protected in the unfortunate event that one of their loved ones is stricken with injury, illness, or sudden passing. At these times in their lives it is important to have the proper protection as well as having an agent who will look out for their client's well being and not the insurance company.

GOSSETT LAW OFFICES, P.A.

A new law office is in town! Please allow me to introduce myself. My name is Gary R. Gossett, Jr. I was born and raised in Haines City, Fl. I have practiced law for over 20 years in the state of Florida. My practice mainly consists of Chapter 7 Bankruptcy, Personal Injury, Probate and Real Estate cases. In addition to being an attorney, I have been a member of the Florida National Guard for 26 years. In 1991, I established my private practice in Sebring, Florida. A few years later I opened a second law office in Lake Wales, Florida. Unfortunately I had to close my Lake Wales practice when called to National Guard Duty. In support of IRAQI FREEDOM in 2003. Seven years later, I feel it is a great time to re-establish an office in Polk County.

The new office is located @ **4700 Crump Road & U.S. 27, Suite C.** The office number is (863) 875-4958.

All appointments are coordinated at the clients convince. Please feel free to look at my web page
